

EES COVID Response

Whilst we are in the midst of the ongoing COVID-19 Pandemic, E E Smith Contracts Limited would like to take this opportunity to reassure our clients, suppliers and sub-contractors that it is business as usual.

In line with Government guidance, we have instigated safeguards and procedures to protect and support our staff and our business, whilst maintaining the E E Smith commitment to quality and service.

With the rapid spread of the new Coronavirus (COVID-19), our number one priority is the health and safety of our Employees, Sub Contractors and Customers. Our facilities are 100 percent operational and we have long prepared for the possibility of a major event within our overall business continuity plan to ensure we can maintain this service level, while ensuring the health and safety of all that interact with our facilities.

We are closely monitoring the spread of COVID-19 and are significantly boosting our safe systems of work across our Factories, Sites and Offices including implementing the latest Government Return to Work Guidelines, Construction Leadership Council Guidelines Version 3, Health and Safety Executive Directives measures and additional specialised training.

An overview of the safety precautions we are implementing to protect employees, customers and partners and ensure business continuity can be found below.

Office based staff are now working from home, this limits the number of people in our factories reducing the risk of exposure to the virus.

- We have doubled the number of Entry Points to the Factory
- We have Introduced one way systems around the Factories.
- We have introduced enhanced Hygiene Facilities
- We have amended our working hours to reduce the number of operatives working in areas at any one time
- We have relocated workstations to ensure that the 2mtr social distancing guidelines are adhered to
- Social distancing protocols have been implemented at each of our sites, as well as enhanced sanitising and cleaning to safeguard those working on site and in the factories
- Meetings are held via Zoom, Skype or Teams

The health, happiness and mental wellbeing of our company has always been paramount. Protecting our team in this rapidly evolving climate continues to be our top concern, while delivering the best possible service to our customer base.

We are able in our approach to our projects and the changing situations to be ready to respond accordingly.

We are accepting deliveries between 8.30 – 12.30 and 13.00 – 1600, Monday to Thursday Deliveries on Fridays must be before 1500

As the situation develops, we will continue to update this webpage to keep you informed,
